Dear Sir:

My 12 year old son watches Beavis and Butthead on T.V. I don't particularly care for the program that shallow laugh of one of them particularly annoys me.

Charles, my son, hid your magazine under the cushion of the couch.

I know two B's were dressed in 2 piece women clothes suggesting homosexuality and then some stupid picture of a woman's shape with words on that caption saying they were the three dirtiest words in the English language!

Your magazine is filthy and not for children nor is it for adults - decent or otherwise. Pornography has been proven to affect the mind.

Our son will never buy such a stinking magazine.

Playboy is not as obscene.

Most sincerely,
